

entor

The PTC Mentor Program has been developed to help welcome new families to Sønderborg International School.

The program is intended to give each incoming family a point of contact for questions and information, helping to make families as comfortable and knowledgeable as possible as they transition into a new school.

A Mentor from PTC will contact your family by e-mail or phone, welcome you and help answer any questions you as a new SIS family may have.

If you are interested in this program and would like a PTC Mentor to contact you, please fill out the form below.

We look forward to welcoming you to Sønderborg International School.
