Fee Structure

Registration Fee:

DKK 600,00

This is a one-off payment when you register your child with Sønderborg International School and it may cover the introduction to the school as well as a trial week with an assessment. This fee ensures registration in the school's administrative system and at the same time automatically places your child on the school's waiting list.

This fee is non-refundable.

Enrollment Fee:

DKK 2.500,00

This is a one-off payment, which is due when you actually enroll your child at Sønderborg International School. The fee is due upon school start and will be invoiced together with the first school fees of the first month your child is going to school. This fee is non-refundable.

Monthly School Fees and Withdrawal Policy:

DKK 1.500,00 per month will be collected via PBS on the 1st of each month.

When you enroll your child at the school, the two first calendar months are categorized as a start-up period. After this period, if you wish to withdraw your child from the school, you must notify the school in writing one month in advance of the 1st day of the month your child is withdrawn.

Please note:

Fees are spread over 11 months with July being free.

Also if you have two children already attending SIS there is a 10% reduction for the third child's school fees.

Furthermore, the school cooperates with an authority that can reimburse a small amount of the school fees. The bursary scheme is based on the household income and application forms can be had at the school office. Applications are due in August.

Monthly ASP Fees:

Key stage 1 and 2 only - DKK 600,00 per month

This fee includes the After School Programme, which runs Monday to Thursday from 12.45 to 17.00 and Friday 12.00 – 16.00, plus fruit in the ASP between 2-3pm every day.

Parent Teacher Committee – PTC

Each school year the school will charge a fee of DKK 175,00/child for the PTC work and events. The fee is automatically added to your invoice in the month of October of any year. If you are a new family and you enroll your child before December 31 any given year, the fee will be added to your first invoice. If you are a new family and you enroll your child after December 31 any given year, the fee will be invoiced as described above, in the month of October. If you decide to withdraw your child from the school during the school year, this fee will not be reimbursed.

Bank details and payments:

The registration fee is to be transferred to Broager Sparekasse;

Registration number: 9797

Account number: 0000 867802.

IBAN-number: DK0597970000867802

Please remember to indicate clearly your and your child's name on the transfer details.

The enrolment fee will be invoiced to you via PBS and your customer number.

Once enrolled you will receive the information you need to register with PBS (Pengeinstitutternes BetalingsService), which will automatically process school fee payments every month. It is mandatory to register with PBS.
